

## Delaware St. Bridge over Buffalo Creek

Indianapolis DPW

*Construction Observation Services*

Construction Photos Bridge Work

### Project Summary:

Indianapolis DPW engaged **Etica Group, Inc.** in July 2012 to perform construction observation (inspection) of the removal and complete replacement of the Delaware St. bridge over Buffalo Creek. This bridge provides the only access to the southern section of the Hill Valley subdivision. Replacement of the bridge was accomplished in phases to allow traffic to continue to use the bridge.

### Key Elements:

- *Project Leadership and Management*
- *Bridge replacement Experience*
- *Construction Observation*
